HOUSE IN THE HOUSESHOE : TO WHOM THIS MAY CONCERN

As Regent, Temperance Smith Alston Chapter, 3-124-North Carolina, I am requesting approval of a bronze engraved plaque, ten inches by ten inches, or larger, be approved to hang in the museum area of the House In The Horseshoe. This would be in recognition of our Temperance Smith Alston Chapter,3-124-NC for the complete restoration of the two chimneys of the house, completed in December 2020. The Temperance Smith Alston Chapter will provide the bronze engraved plaque and place it in the designated place. We worked very hard on this project and would like for visitors to be able to identify the project funded by the Temperance Smith Alston DAR Chapter, 3-124-NC Pinehurst, North Carolina.

Thank you.

Sincerely, In DAR Services.

To North Carolina Historical Commission,

I am writing to give my approval of a recognition plaque for the Temperance Smith Alston DAR Chapter. The plaque should measure no more than 10 inches by 10 inches and be placed in the museum alongside other recognitions.

The Temperance Smith Alston DAR Chapter funding repaired and restored both chimneys on the Alston House. This critical work has improved the appearance of the Alston House and will ensure that the chimneys are stable for generations to come.

Thank you,
