State Library of North Carolina
ARPA-IMLS Funds
Quarter Ending 03/31/2023

Amount of Funds Granted: $4,309,771.00

Source of Funds: Institute of Museum and Library Services: LSTA American Rescue Plan Act (ARPA) Grants (2021) [CFDA 45.310]

How the funds were awarded: 101 subawards totaling $4,061,513.98 and internal costs totaling $379,697.61 for a total of $4,438,211.59. Due to completion of most of the awarded projects and the return of awarded funds, the awarded amount exceeds the allotment. Based on tracking of current spending, there is currently less than $16,000 in unencumbered funds.

- SLNC Adapts accepted applications that targeted high need communities in two application categories: EZ and Project. EZ grants are small, focused efforts to increase digital access. Project grants are for larger, collaborative initiatives that leverage partnerships in local communities to address the digital divide.
- Adapting Technology will allow for libraries to improve library operations through the purchase of technology that support efforts to enable libraries to reach residents, especially in support of education, health, and workforce development needs; and/or to respond to the pandemic and implement public health protocols.
- The State Library is offering expanded digital literacy tools statewide subscription to all public libraries to use with their patrons for Northstar, a digital literacy training tool along with a new scanner that is housed with the Government & Heritage Library to facilitate increased access to digital materials.
- The State Library is offering statewide expanded digital content for users and library staff with additional perpetual access database for researchers and training for library staff from Library 2.0.
- Administrative costs for postage through Mail Service Center along with Indirect Costs
